

Founded in 1943, Tecnológico de Monterrey is a private University located in Mexico with 26 campuses across the country and a population of more than 9,000 professors and over 90,000 students enrolled in high-school, undergraduate & graduate programs.

Ranked among the top 200 universities in the world and with a rating of five QS stars, Tecnológico de Monterrey achieved full marks in the categories of internationalization, innovation, employability, facilities, and specialist criteria.

Tecnológico de Monterrey strives to develop the students' professional and human potential through a high academic level, state-of-the-art resources and experiences that will help them nourish and transform the world they live in, with an international and broad perspective.

Academic Offering

Tecnológico de Monterrey offers 47 undergraduate degrees under 6 different schools, all with a wide variety of courses in English and Spanish each term, providing students with a rich overview of different perspectives from various cultures:

Medicine and Health Sciences

Humanities and Education

Social Sciences and Government

Business

Engineering and Sciences

Architecture and Design

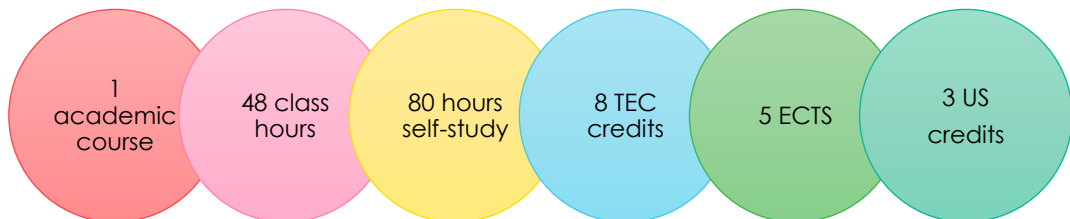

For more information about courses, please review the following link: <http://bit.ly/TECcourses>.

NOTE: Not all 47 disciplines are available at all campuses. The School of Medicine and Health Sciences is only available at the Monterrey, Guadalajara and Mexico City Campuses.

Credits and Evaluation

The amount of credits given by a course is defined by the amount of hours a student has to spend in the classroom weekly.

- ▶ Class size averages 30 students.
- ▶ Homework is assigned regularly.
- ▶ Evaluation typically considers 2 partial and 1 final examinations
- ▶ Minimum passing grade of 70/100.

Internship deadline	November 26, 2019	May 15, 2020	November 6, 2020
Nomination deadline	December 13, 2019	June 19, 2020	December 11, 2020
Application deadline	December 20, 2019	June 26, 2020	December 18, 2020
First day of classes	February 10, 2020	August 10, 2020	February 8, 2021
Last day of classes	June 3, 2020	November 27, 2020	June 2, 2021
Exam period	June 5 to 16, 2020	Nov 30 to Dec 8, 2020	June 4 to 15, 2021

Migration Process

The migration process is defined by the nationality of the student.

- ★ **Non-restricted nationalities:** Require an FMM (migratory form obtained upon entry to the country), but do not need a visa if the stay is for 180 days or less (semester or summer).
- ★ **Restricted nationalities:** Require a visa that must be issued at any Mexican consulate or embassy, regardless of the time of stay. To review the list of restricted nationalities, visit: <https://www.inm.gob.mx/gobmx/word/index.php/paises-requieren-visa-para-mexico/>

Everyone coming to Mexico for more than 180 days (a year or more), is required to have a visa.

Health Insurance

Tecnológico de Monterrey requires all international students to have an international health insurance with specific coverages and amounts during their stay. SURA created a policy that covers and exceeds all our minimum requirements. Detailed information about the insurance and online purchase is available at: <https://intercambioseguro.com/en/#>

- ▶ If students already have an insurance that covers all the requirements, they can use it by sending a proof of purchase and coverage.
- ▶ If students do not have an insurance that covers all the requirements, they must purchase one, either individually with their preferred company or in the SURA website.

Concept	Minimum amount (in USD)
Medical expenses in case of sickness/accident	\$120,000
Repatriation of remains	\$15,000
Medical evacuation in case of sickness/accident	\$50,000
Travel expenses for a companion	\$3,000
Civil responsibility and third party liability	\$100,000
Injuries caused by the amateur practice of a high risk sport	Included
Injuries caused by a weapon in case of assault or robbery	Included
Guarantee of direct payment	Included

Accommodation

Each campus has different accommodation options. Please note that not all the options are available at all campuses and the cost for each varies from city to city.

Host Family Program

Live with a Mexican family and learn about our culture and traditions while experiencing the Mexican hospitality. Each family will provide a unique experience.

Off-Campus accommodation

List of independent options around campus, ranging from rooms to complete houses. All arrangements must be handled by the students.

On-Campus Residence Halls

Residences managed by Tecnológico de Monterrey providing a suitable environment for national & international students.

To review availability of the different accommodation options in a specific campus, please visit <http://bit.ly/TEC-accommodation>
